### Camp Out

Amelia Bedelia has never been camping in the great outdoors before. She's trying her best to do exactly as she's told, but pitching a tent is not the same as throwing it into the bushes, and catching a fish with your bare hands isn't easy. As usual, the mixed-up housekeeper makes this camping trip one hugely entertaining adventure.

The literal-minded maid returns, accompanying her employers on a camping trip. When Mr. Rogers tells Amelia that it's time to hit the road, she does, with a stick. PW remarked that Parish's Read-Alone volume would "send kids into gales of laughter."
