Dexter Yager is not just another Horatio Alger story. He is "Mr. Motivation" to the 500,000 business people who come to hear him speak during an average year. To his critics, he is naive, simplistic, shallow, but to the millionaire businessmen, international bankers, and entertainment celebrities, who are among his devotees, he is one of a handful of motivators whose achievements are equal to his advice. When the subject is how to make money, you will hear men speak more eloquently and cleverly than Dexter Yager, but when it comes to having money, you will not be able to name many to match him. To use his own terminology, Yager is a "do-er."
