Herbert Marcuse: A Critical Reader From Routledge

The Legacy of Herbert Marcuse: A Critical Reader is a collection of brand new papers by seventeen Marcuse scholars, which provides a comprehensive reassessment of the relevance of Marcuse's critical theory at the beginning of the 21st century.

Although best known for his reputation in critical theory, Herbert Marcuse's work has had impact on areas as diverse as politics, technology, aesthetics, psychoanalysis and ecology. This collection addresses the contemporary relevance of Marcuse's work in this broad variety of fields and from an international perspective.

In Part One, veteran scholars of Marcuse and the Frankfurt school examine the legacy of various specific areas of Marcuse's thought, including the quest for radical subjectivity, the maternal ethic and the negative dialectics of imagination. Part Two focuses on a very new trend in Marcuse scholarship: the link between Marcuse's ideas and environmental thought. The third part of this collection is dedicated to the work of younger Marcuse scholars, with the aim of documenting Marcuse's reception among the next generation of critical theorists. The final section of the book contains recollections on Marcuse's person rather than his critical theory, including an informative look back over his life by his son, Peter.

Users Review

From reader reviews:

Calvin Baker:

In other case, little people like to read book Herbert Marcuse: A Critical Reader. You can choose the best book if you like reading a book. So long as we know about how is important the book Herbert Marcuse: A Critical Reader. You can add knowledge and of course you can around the world by just a book. Absolutely right, since from book you can understand everything! From your country till foreign or abroad you can be known. About simple factor until wonderful thing it is possible to know that. In this era, you can open a book as well as searching by internet product. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's examine.

Michael Walsh:

In this 21st hundred years, people become competitive in every way. By being competitive currently, people have do something to make all of them survives, being in the middle of the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yep, by reading a guide your ability to survive raise then having chance to stand up than other is high. For yourself who want to start reading any book, we give you this Herbert Marcuse: A Critical Reader book as starter and daily reading guide. Why, because this book is more than just a book.

Paula Royce:

Reading a guide tends to be new life style in this era globalization. With examining you can get a lot of information that could give you benefit in your life. Along with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this Herbert Marcuse: A Critical Reader.

Robert Armistead:

Do you like reading a reserve? Confuse to looking for your best book? Or your book has been rare? Why so many issue for the book? But just about any people feel that they enjoy for reading. Some people likes examining, not only science book and also novel and Herbert Marcuse: A Critical Reader or perhaps others sources were given knowledge for you. After you know how the truly great a book, you feel need to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to include their knowledge. In some other case, beside science e-book, any other book likes Herbert Marcuse: A Critical Reader to make your spare time more colorful. Many types of book like here.
