The Hollow Hills By Mary Stewart

The spellbinding, suspenseful story of how Merlin, the Enchanter, helped Arthur become the king of all Britain - a magnificent novel set in a time when no life is safe, no law stable. The prophetic voice of Merlin communicates not only the bristling atmosphere of the story's ancient setting but also its profound relevance to our own time. Once again, as she did in her bestselling "The Crystal Cave", Mary Stewart provides a glowing re-creation of pre-Camelot England.
