The Jew in the Modern World: A Documentary History From Oxford University Press

Most complete source book available on modern Jewish History. The second edition of *The Jew in the Modern World* is an expanded and highly diverse collection of primary materials that trace the Jewish experience in the modern period and illustrate the transformation of Jewish religion, culture, and identity from the 17th and 18th centuries to 1948. Retaining from the first edition those documents that have proven most useful to the student of Jewish history, this volume adds hitherto unpublished and inaccessible sources concerning the Jewish experience in Eastern Europe, women in Jewish history, American Jewish life, the Holocaust, and Zionism and the nascent Jewish community in Palestine on the eve of the establishment of the State of Israel.

Editorial Review

Review

"The incredibly rich, diverse array of primary sources, logical organization, and clear presentation make it a first choice for use in all of my courses in modern Jewish history...The fact that one paperback volume covers the entire range of most courses in modern Jewish history makes it an easy choice when I am contemplating what to assign students for reading."

-James Loeffler, University of Virginia

"There are no serious competitors to The Jew in the Modern World [sic]. I consider it an essential text for the teaching of [modern Jewish history]."

-Avinoam Patt, American University

"The Jew in the Modern World is a crucially important sourcebook for the classroom and for the historian's library. If a student or historian of modern Jewish history is to own only one sourcebook, it ought to be this one."--Robin Judd, The Ohio State University

"There are more and more courses on modern Jewish history being taught across the United States, and an updated edition of this book will be useful for all of them. I would definitely assign a new edition of the book for my course on modern Jewish history."

-Rebecca Lesses, Ithaca College

"The main strength of The Jew in the Modern World is the quality and range of the primary sources, which are unavailable elsewhere in this succinct, user-friendly format. In some cases, the sources in this book cannot be found anywhere else, at least in translation. It is perfect for use in classroom discussions and analytical assignments involving primary sources. The fact that a single volume covers the entire range of modern Jewish history makes it an easy choice when I am contemplating what to assign students for reading."--James Loeffler, University of Virginia

About the Author

Paul Mendes-Flohr is Professor of Modern Jewish Thought in the Divinity School and an associate member

of the department of history at the University of Chicago. He is the author or editor of numerous books and serves as the editor-in-chief, with Peter Schäfer and Bernd Witte, of the twenty-two-volume German edition of the collected works of Martin Buber.

Jehuda Reinharz is the Richard Koret Professor of Modern Jewish History at Brandeis University and President of the Mandel Foundation. He is the author, editor, or coeditor of numerous books, including *Chaim Weizmann: The Making of a Statesman* (OUP, 1993) and *Chaim Weizmann: The Making of a Zionist Leader* (OUP, 1985). His most recent book (with Yaacov Shavit) is *Glorious, Accursed Europe* (2010).
