**I Want You To Want Me** By Kathy Love

**Destiny May Not Be Set In Stone,  
But At Least He's As Hard As A Rock**

Erika Todd moved to New Orleans because she needed a change--and, well, yes, because that's what the fortune teller said she would do. Not that she'd admit that to many people. But so many of the psychic's predictions--about her work, even finding that stray black cat--have already come true. Now all the lonely sculptor needs is to meet and fall in love with the prophesized dark-eyed prince. . .

Reclusive musician Vittorio Ridgewood has a new neighbor he's been trying to avoid. Sure, she's gorgeous, but she's coming on strong, and the last thing the 200-year-old vampire needs is to get involved with another mortal. Especially since several of his former human paramours have lately been turning up dead. . .

Sensing the relentless beauty needs someone to watch over her, Vittorio agrees to sit for a sculpture, and their attraction to one another quickly ignites. But is passion even this hot worth dying for?

## **Editorial Review**

From Publishers Weekly

Erika Todd moves to New Orleans to pursue her career as a sculptor, staying with friends Ren and Maggie. Ren's brother Vittorio, an enigmatic, attractive musician (and vampire), shows up to stay with them, too; after a rocky start, Ericka and Vittorio cannot suppress their mutual attraction for one another. That draws the wrath of Vittorio's insane mother, Orabella, who has been hunting and killing her son's mortal lovers for decades, and sets the plot—son and lover with conflicted loyalties—in motion. Orabella is deliciously psychotic, but there's little beyond her in this familiar tale of Big Easy haunting. (*Sept.*)
