### Julie's Wolf Pack (Julie Series) By Jean Craighead George

From the author of the Newbery Medal–winning *Julie of the Wolves* and its sequel, *Julie*, comes a third exciting adventure about the wolf pack that saved the life of a young girl when she was lost on the tundra. Julie has returned to her family, but her wolf pack has a story all its own. Fearless but inexperienced Kapu is now the new leader of the pack. He must protect his wolves from the threats of famine and disease and, at the same time, defend himself from bitter rivals, both inside and outside the pack, who are waiting for their chance to overthrow him. The strength of Kapu's leadership will determine not just the well-being of the pack but its very survival.

Jean Craighead George's research and first-hand observation form this engrossing, epic tale that's sure to draw readers into the fascinating world of wolves.

## **Editorial Review**

From Publishers Weekly

Keeping the focus on the wolves introduced in her Newbery-winning *Julie of the Wolves*, George writes "with astounding intimacy" and "complete command" of the animal world, said PW in a starred review. Ages 10-up.

From School Library Journal

Grade 5-8. Drawing upon her knowledge of wolf behavior, Eskimo culture, and Alaska, George continues the story of Kapu, the splendid male pup Julie nursed back to life in *Julie of the Wolves* (HarperCollins, 1972). This third adventure chronicles six years in the life of Kapu and his pack family. The animals are convincingly depicted with such respect and affection that readers will feel as though they too are in the wild rooting for the pack in times of famine, admiring Sweet Fur Amy whose unusual leadership abilities enable her to become an Alpha female, and feeling anger when Kapu is captured for research. The book is divided into three parts that suit the episodic plotting style; the strongest segment occurs in the middle when a lone female infected with rabies joins the pack, threatening the lives of its members. The writing is laden with natural descriptions and keen observations, some of which interrupt the story's flow, but this rich detail is also the book's strength. The perspective of the wolves is effectively maintained, but their encounters with hunters, veterinarians, and government researchers provide a framework for the different factions that must learn to coexist if this resilient yet fragile species is to survive. Those who have enjoyed Julie's story thus far will want to read this latest encounter in which she grows up, attends college, and comes full circle back to the tundra, this time to study her beloved wolves with her new husband, Peter Sugluk. ?Caroline Ward, Nassau Library System, Uniondale, NY

From Kirkus Reviews

Completing the switch in narrative view begun in *Julie* (1994), the sequel to *Julie of the Wolves* (1972), George continues her tale of the Avalik River pack entirely from the standpoint of its members: Kapu, the young new alpha; his daughter and successor, Sweet Fur Amy; Ice Blink, a lone wolf who carries rabies--and Willow Pup Julie, who lives in town but puts in appearances to inspect new pups or perform rescues. George invests all of her characters equally with expressive language, customary patterns of behavior, distinct personalities, and rich emotional lives. The wolfpack culture is complex and thoroughly articulated; readers who follow Kapu through seasons fat and lean, births, deaths, and challenges (serious, but always bloodless) to his leadership will be as devastated as the pack is when he is trapped and removed for a scientific experiment. Working mostly offstage, Julie engineers his return, but he does not rejoin the pack. The rhythms of life on the tundra are slow ones, and the only deaths George describes explicitly are those of wolves who succumb to the contagion that Ice Blink brings; the result is a story that flows at an even, deliberate pace, without--save for the brief outbreak of rabies--much suspense or sense of danger. The wolf's-eye view will draw new readers to the books, but fans of the first books, already well-versed in wolf society, may find many of the situations repetitive. ## **Users Review**

**From reader reviews:**

**Mildred Miller:**

In this 21st one hundred year, people become competitive in every way. By being competitive currently, people have to do something to make these people survive, being in the middle of typically the crowded place and notice by surrounding. One thing that sometimes many people have underestimated this for a while is reading. Yep, by reading a e-book your ability to survive raise then having chance to stand than other is high. To suit your needs who want to start reading the book, we give you that Julie's Wolf Pack (Julie Series) book as basic and daily reading publication. Why, because this book is usually more than just a book.

**Christina Webb:**

Reading a book tends to be new life style within this era globalization. With studying you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only the story that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some study before they write with their book. One of them is this Julie's Wolf Pack (Julie Series).

**Joan Stump:**

Spent a free time to be fun activity to do! A lot of people spent their sparetime with their family, or their own friends. Usually they carrying out activity like watching television, likely to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could be reading a book is usually option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to try look for book, may be the publication untitled Julie's Wolf Pack (Julie Series) can be very good book to read. May be it is usually best activity to you.

**Barbara Hall:**

Exactly why? Because this Julie's Wolf Pack (Julie Series) is an unordinary book that the inside of the publication waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of rewards than the other book possess such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the guide store hurriedly.
