Morphology of Biblical Greek, The

By William D. Mounce

Morphology of Biblical Greek, The By William D. Mounce

The Morphology of Biblical Greek explains, in a way second-year Greek students can understand, how Greek words are formed. It shows that Greek word formation follows a limited set of rules. Once these rules are understood, it becomes clear that forms which once seemed to be irregular or an exception actually follow these morphological rules. The Morphology of Biblical Greek has five parts: 1.The rules that determine how Greek words change. 2. The rules of verb formation, from augment to personal ending. 3. Paradigms for every type of noun and adjective form, with all the words that belong in each category and any peculiarities of a given word. 4. All the verbs and principal parts, with verbs that follow the same rules grouped together. 5. An index of all words in the New Testament with their morphological category. The Morphology of Biblical Greek contains the most complete set of paradigms for nouns, verbs, adjectives, and pronouns available for New Testament Greek.

About the Author

William D Mounce (PhD, Aberdeen University) lives as a writer in Washougal, Washington. He is the President of BiblicalTraining.org, a non-profit organization offering world-class educational resources for discipleship in the local church. See www.BillMounce.com for more information. Formerly he was a preaching pastor, and prior to that a professor of New Testament and director of the Greek Program at Gordon-Conwell Theological Seminary. He is the author of the bestselling Greek textbook, *Basics of Biblical Greek*, and many other resources. He was the New Testament chair of the English Standard Version translation of the Bible, and is serving on the NIV translation committee.

Users Review

From reader reviews:

William Gannaway:

As people who live in the particular modest era should be update about what going on or details even knowledge to make these individuals keep up with the era and that is always change and progress. Some of you maybe will update themselves by studying books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This Morphology of Biblical Greek, The is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Rod Doughty:

Nowadays reading books be than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of e-book you read, if

you want drive more knowledge just go with training books but if you want truly feel happy read one having theme for entertaining like comic or novel. The particular Morphology of Biblical Greek, The is kind of publication which is giving the reader unforeseen experience.

Maryellen Tilley:

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that usually you could have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Morphology of Biblical Greek, The, you are able to enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't have it, oh come on its named reading friends.

Jack Lacasse:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many concern for the book? But just about any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but also novel and Morphology of Biblical Greek, The or even others sources were given knowledge for you. After you know how the truly great a book, you feel need to read more and more. Science reserve was created for teacher or even students especially. Those books are helping them to increase their knowledge. In different case, beside science publication, any other book likes Morphology of Biblical Greek, The to make your spare time a lot more colorful. Many types of book like here.
