My Horizontal Life: A Collection of One-Night Stands By Chelsea Handler

In this raucous collection of true-life stories, actress and comedian Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand.

You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool.

Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. *My Horizontal Life* chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty.

Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. *My Horizontal Life* is one guilty pleasure you won't be ashamed to talk about in the morning.

Editorial Review

From Publishers Weekly

Opening with a cute story from when she was seven and photographed her parents having sex, stand-up comedian Handler goes on to discuss the virtues of the one-night stand, which amount to having sex early enough so you're not months into a relationship before you discover he's into "anal beads and duct tape." She discusses her quest for sex with a "black man," which doesn't work out because the date she finds on ChocolateSingles.com has a penis so large, she "would have had to be the size of the Lincoln Tunnel to accommodate that thing." After him, there's a "little midget," but she sobers up before sleeping with him. Next come a number of would-be partners with penises too small to consider. Finally, there's a guy Handler *does* sleep with, only an embarrassing incident involving a "giant skid mark" prevents her from seeing him again. By the end, Handler considers settling down with one man, which might actually net her more sex than these mostly unconsummated one-night stands. Anyone who laughs at the mere mention of vaginas and penises may find Handler's book almost as much fun as getting drunk and waking up in some stranger's bed.
