Michael Toms presents a swift and unadorned reading of Matthew Fox's consciousness-changing text. The treatise traces the effect of the advancement of Fall/Redemption theology and the denial of Creation-centered theology on contemporary society. Fox was defrocked by the Roman Catholic Church for the ideologies he supports in this text. Toms, the writer, editor and broadcast producer of public radio's New Age "Dimensions," is at home with the subject. His sincere rendering of the text creates an appropriate earnestness as background. A contemporary interview with Matthew Fox conducted by Toms rewards the listener at the end. C.F.G.
