## The Dictionary of Caribbean English Usage By Richard Allsopp

This unique reference is the first attempt in over four hundred years to provide an authentic record of current English from twenty-two territories in the eighteen states of the Caribbean archipelago. The Dictionary surveys a range of over 20,000 words and phrases drawn from over 1000 written sources. A specially-designed system of labelling--four levels of identification from Creole to Formal and labels to denote social or grammatical register--provides maximum clarity and accessibility. Including hundreds of illustrative examples, Allsopp also includes etymological and usage notes and a short Supplement listing Caribbean French and Spanish equivalents.

## **Editorial Review**

### **Amazon.com Review**

Caribbean English is an exceptionally rich dialect, evocative and vivid. Take "bagabu," for instance, a fine word American and British English lack, referring to dried nose mucus. "Day-clean" is a lovely word for dawn. To be in "goat-heaven" is to be in a state of bliss, but to have "goat-mouth" is a nasty business, similar to giving the evil eye. A "pissintail" is a disrespectful young thing, while "piss-a-bed" merely refers to wild coffee. A solid, scholarly work that fills an important reference niche, Allsopp's dictionary covers more than 20,000 words and phrases from Guyana to the Bahamas and Belize. Even if you've no Caribbean ties, are conducting no Caribbean research, and planning no Caribbean vacation, the dictionary is worth the price solely for its grand browsing pleasure. --*Stephanie Gold*

### **Review**

"Will help teachers and students understand better the literary texts they are examining, and can provide one approach to a wider examination of cultural differences....An essential supplement to any collections where Commonwealth or Caribbean literature form part of the curriculum, and useful for linguistic studies."--*Choice*

### **Language Notes**

Text: English, Creole, French, Spanish

## **Users Review**

### **From reader reviews:**

#### **Yadira Singh:**

This The Dictionary of Caribbean English Usage book is not ordinary book, you have it then the world is in your hands.
