The Harlequin Tea Set and Other Stories (Agatha Christie Collection) By Agatha Christie

The Queen of Mystery has come to Harper Collins! Agatha Christie, the acknowledged mistress of suspense—creator of indomitable sleuth Miss Marple, meticulous Belgian detective Hercule Poirot, and so many other unforgettable characters—brings her entire oeuvre of ingenious whodunits, locked room mysteries, and perplexing puzzles to William Morrow Paperbacks. Poirot is joined by the mysterious problem solver Harley Quin in the pages of *The Harlequin Tea Set and Other Stories*—a collection of ingenious short masterworks of mystery and suspense that showcase the legendary Christie at her very best.

Editorial Review

From School Library Journal

YA. These nine short stories, never before published in the U.S., offer a variety of mysterious doings, intriguing characters, and odd circumstances. Christie's complex plots, her historical and moral perspectives, and her strong interest in human psychology are the major factors setting the tone of these selections. "The Harlequin Tea Set" weaves psychological drama with a ghost story, creating a surreal atmosphere and an extraordinary ending. Several of the stories, while interesting, are familiar in plot and character and offer no real surprises. "The Lonely God" is a love story typical of the sentimental writing of the period. "Manx Gold" is a grand adventure with several murders spicing up the plot. Christie captures cultural and period details in a way that readers can easily assimilate, making these stories time-capsule views of life during the first third of this century. This collection continues to substantiate the author's ability to create imaginative plots and characters, proving that really good writing remains readable for countless years. ?Pam Johnson, Fairfax County Public Library, VA

From Library Journal

This welcome collection contains nine stories, most of which were published only in British newspapers and magazines during the 1920s. Hercule Poirot and Harley Quin make appearances, as do more "normal" people dealing with murder.

From [Booklist](#)

These never-before-collected Christie stories were originally published in magazines of the times, and the majority of them were written before Dame Agatha was at the top of her game. Most of the nine tales (though not the one Poirot) focus on human nature rather than true mystery and bristle with melodrama (one can almost hear organ music crashing in the background). Christie's many fans (two billion copies of her books are in print) may not find these stories to be hearty fare, but as tea cookies, they will satisfy. *Ilene Cooper*

Users Review

From reader reviews:

Daniel Miller:

The book The Harlequin Tea Set and Other Stories (Agatha Christie Collection) can give more knowledge and information about everything you want. So just why must we leave a good thing like a book The Harlequin Tea Set and Other Stories (Agatha Christie Collection)? A number of you have a different opinion about e-book.
