**Fifty Shades of Mr Darcy: A Parody** By William Codpiece Thwackery

**A hilarious parody of an erotic bestseller and a romantic classic—those wanting a little naughtiness in their lives should prepare themselves for Mr. Darcy's Blue Broom-Cupboard of Seriously Kinky Sh\*t**

Lizzy Steele had been brought up to be a proper lady with perfect manners, skilled in conversation, and well respected in the community. But when Mr. Elliot Bingley comes to court Lizzy's sister, she is given the opportunity to learn a somewhat different skill set upon her introduction to his friend, a Mr. Christian Darcy. It only takes one chance meeting with this tall, dark stranger for Lizzy to be lured into Darcy's secret world of lascivious practices and lusty urges. Drawn like a moth to his flame, Lizzy is the mistress of her own undoing, for Darcy has made no protestations of love; indeed, his intentions were made plain from the outset. But even the most innocent and well brought-up of young ladies have urges, and as Lizzy learns that a riding crop isn't just used for going for a canter on her pony, a whole new world is revealed to her—shaded black and leather-clad.
