It's A Thin Line By Kimberla Lawson Roby

From #1 Blackboard bestselling author Kimberla Lawson Roby comes the emotionally compelling story of three adult siblings, drawn together by their mother's illness, torn apart by crisis, and ultimately, made stronger by their love and commitment to each other. Sydney, Gina, and Rick are siblings who have always shared a special bond, though their lives are as different as can be. Responsible eldest sister Sydney has a sexy husband, an adorable daughter, and fulfilling work. But the steadily mounting demands of her writing career have left her little time or energy for family life. Meanwhile proud middle sister Gina is struggling to raise her eight-year-old twins--and protect them from their volatile father's outbursts. Impulsive brother Rick, the baby of the family, is living the high life--dodging commitment with his longtime girlfriend and wondering if the grass is greener elsewhere. When their beloved mother Delores suffers a debilitating stroke, all three suddenly find the tenuous threads of their lives at a breaking point. A dark childhood secret threatens Sydney's secure world; Gina is swept into a maelstrom of domestic violence; and Rick reaches a dramatic crossroads in his relationship. Worst of all, the burden of caring for a parent is tearing the siblings apart, shattering their faith in one another. Now, as Sydney, Gina, and Rick struggle to overcome daunting obstacles and rebuild their lives, they will discover something they've never let themselves believe: that their most stable--and cherished--relationships have always been with each other.

Editorial Review

From [Booklist](#)

Roby deals with many issues of family life, including birth order, sibling rivalry, domestic abuse, incest, and the emotional toil of caring for a sick parent. Three siblings, Sydney, Gina, and Rick, have always been a close-knit family. Sydney, the eldest, is the responsible, dutiful daughter, mother, and wife. Gina, the overburdened and misunderstood middle child, is the proud one. Rick, the youngest, is forever searching and very needy. They each find themselves challenged by insecurities and unspoken pain when their mother, Delores, becomes seriously ill. The burden of providing care for her surfaces buried emotions and forces resolution of real dangers. The sibling rivalries even during this stressful time cause them to question their relationships with one another and their mother's choices about her health care. Yet, somehow, even in the face of emotional situations and stark revelations, the sisters come together to support and provide the love and closeness that their mother raised them to share. Included here are book discussion questions and hotline numbers for domestic abuse, incest victims, and family caregivers. *Lillian Lewis*
