### Middle Office By Philip Lawton

- *Middle Office: Managing Financial Institutions in Turbulent Times*—Philip Lawton’s new book for bankers and investment professionals—contains short, readable essays on key concepts and current issues in leadership, ethics, and training; regulatory compliance; risk management; and investment performance measurement. The writing style is fluent, and there are footnotes for readers who wish to consult sources or learn more about particular topics. The book is brought to life by John Rubino’s photographs of the steel sculptures in his powerful series, “Anatomy of a Calamity.”
- **WHAT THIS BOOK COVERS**
- *Middle Office* contains an Introduction and 68 short articles. Here are highlights of the contents:
  - Part One: Leadership, Ethics, and Training addresses such topics as complexity leadership theory; employee loyalty; on-the-job training; organizational silos; and the volunteer’s dilemma.
  - Part Two: Regulatory Compliance considers principles-based regulation; the employment impact of securities regulations; and international regulators’ approaches to leverage, intraday liquidity, credit rating agencies, and OTC derivatives.
  - Part Three: Risk Management tackles such topics as the distinction between risk and uncertainty; reputational risk; intraday liquidity risk; causal dependence; and managing central counterparty credit risk.
  - Part Four: Performance Measurement and Client Reporting discusses fair value accounting and credit valuation adjustments; after-tax performance measurement; benchmark management; and the GIPS® standards for alternative investments.
- **WHO SHOULD READ IT**
- *Middle Office* is written for compliance officers, risk managers, and the heads of investment performance measurement groups at banks and investment management organizations. However, because this book accurately explains technical concepts and issues in plain language, board members and C-suite

executives—as well as financial journalists—will also find it valuable. In addition, regulators will find that the author does not sacrifice insightfulness for brevity in discussing issues they are vitally concerned about, such as the elements of sound internal risk management programs at financial institutions.

• EXCERPT FROM THE INTRODUCTION

- “Every age has its problems, but managing banks, investment firms, and broker-dealers may never have been more challenging. The short essays collected here represent an unsystematic attempt to clarify some of the issues and, occasionally, to indicate lines of thought that seem promising.
- The present volume contains most of the posts on leadership, regulatory compliance, risk management, and investment performance measurement that have appeared to date in a WordPress blog called, simply, *Middle Office*. During the period in which these pieces were composed, we witnessed a series of untoward and rather unnerving events at well-known financial institutions: MF Global failed and clients’ funds went missing; a rogue trader was found out at UBS; JPMorgan Chase sustained huge losses in derivatives; Barclays and others were accused of falsifying LIBOR; Peregrine Financial entered bankruptcy amid charges of fraud; HSBC allegedly laundered money for drug cartels and dealt with firms linked to terrorism; and Knight Capital lost control of a high-frequency trading algorithm.
- Such occurrences—for the most part ethical lapses and operational breakdowns—raise pressing questions for regulators, boards, and senior management....”

### **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Lela Koehn:**

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make them keep up with the era which is always change and move ahead. Some of you maybe will certainly update themselves by studying books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Middle Office is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

##### **Julie Nealy:**

Nowadays reading books become more than want or need but also work as a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for example comic or novel. The actual Middle Office is kind of guide which is giving the reader unforeseen experience.

##### **Mark Mata:**

Spent a free time for you to be fun activity to accomplish! A lot of people spent their down time with their family, or their own friends. Usually they doing activity like watching television, planning to beach, or picnic within the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Might be reading a book may be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to try out look for book, may be the guide untitled Middle Office can be excellent book to read. May be it could be best activity to you.

##### **Robert Murphy:**

Many people said that they feel uninterested when they reading a reserve. They are directly felt the item when they get a half elements of the book. You can choose the book Middle Office to make your own personal reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose simple book to make you enjoy to see it and mingle the sensation about book and studying especially. It is to be very first opinion for you to like to open up a book and read it. Beside that the publication Middle Office can to be your new friend when you're sense alone and confuse using what must you're doing of these time.
