## **Editorial Review**

From the Back Cover

### **PRACTICING ORGANIZATION DEVELOPMENT, THIRD EDITION**

Building on its reputation as the most practical, comprehensive, useful, and clearly written handbook on organization development (OD), this new edition of *Practicing Organization Development* has been thoroughly revised updated to reflect the most recent developments in the field. With contributions from leading OD practitioners and scholars, the book includes a review of the core elements of OD that offers new information on a variety of topics such as leadership transformation and development, questions of inquiry, multi-level strategic change, global compact, positive states of organizing, and OD's role in creating a structure of belonging.

Praise for the Third Edition of *Practicing Organization Development*

"Nowadays a good roadmap is needed to navigate all the roads and this book does a great job of telling the reader of the variety of destinations that can be reached and how to reach them . . . .this book is as complete a compendium on what OD is and can be as is currently available."

—**DR. EDGAR H. SCHEIN**, Sloan Fellows Professor of Management Emeritus, MIT Sloan School of Management
