Between Love & Fire (Backstage Series) (Volume 1) By Dani Rene

Cerulean eyes pierce me.
A touch that scorches me.
Words that entice me.

With a reputation of the bad boy rock star,
I know he's bad news.
He's infuriating, persistent,
and drop dead gorgeous.
The man that has
women's underwear dropping,
with a click of his fingers,
has his sights set on one woman.

ME

I need to keep my distance.
I need to fight the attraction.

~

Chestnut eyes lure me.
A smile that tempts me.
Words that bait me.

The innocence in her eyes is like a drug.
Her feisty personality is a turn on.
The more she pushes, the more I pull.
I don't back down from a challenge.
To have her in my bed is what I want.
And I always get what I want.

HER

I need to make her mine.

I need to make her see the real me.

Editorial Review

Review

Between Love & Fire was utterly unique and refreshingly original. I honestly do not have a single other book to compare it to, nor have I ever read a plot line even similar to this one. Everything from the way the characters met to the twists and reveals all took me by surprise and kept me guessing the whole way through.

"Question is; can you handle me?"

"Trust me, Tayla. I can handle everything you bring my way. We will be seeing each other tomorrow."

Callum Hayes was the kind of guy who everyone will fall in love with - a hot, sexy, talented musician with a heart of gold and who was also hiding a big secret. Everything about him made me either swoon or melt.

"I promise to never interrupt you again."

"Because the next time you see me; I will be your boss.... And I expect you to obey my every word."

Tayla Quinn was one of those heroines who I just immediately liked. She was sweet, kind, lovable with dark past.

My body the lyrics and his the melody and together our souls are a symphony.

I truly loved everything about this book and about their romance - the texting, the flirting, the slow but powerful build of their connection...

"... Once i break down those high walls you have built up around you, Petal I look forward to seeing the treasure they keep hidden."

Dani René's writing has this beautifully gripping, compelling quality to it that draws you right into the lives of her characters. From the first few lines, I was fully immersed in this story and stayed connected until the very last word. I cannot wait to read more of Dani René's work.

My Angel. My Petal. Forever.
