Free Lunch: Easily Digestible Economics By David Smith

The economy has never been so relevant to so many people as it is now, and it's vital that we understand how it affects our lives. 'There's no such thing as a free lunch' is the one phrase everyone has heard from economics - not even for bankers. But why not? What does economics tell us about the price of lunch - and everything else? Free Lunch makes the economics pages of the newspaper intelligible and addresses the concerns that worry us all. It will enable you to understand - and challenge - the claims made by politicians. Set out like a good lunch-time conversation, the book will guide you through the mysteries of the economy. Your guides will be some of the greatest names in the field, including Smith, Marx and Keynes. This clever and witty introduction to economics costs less than even the cheapest meal. It is essential reading in these times of economic uncertainty, and is far more satisfying than even the most gourmet banquet.

Editorial Review

Review

David Smith skilfully cuts through the mind-numbing waffle that surrounds much of modern economics, delivering a highly accessible guide to a subject that many claim to understand but very few do. -- Jeff Randall, BBC Business Editor Smith ... is an amiable and talented dining companion -- Martin Hemming Observer Free of jargon, obfuscation and interminable subordinate clauses, his prose is just the job -- Ross Leckie The Times

About the Author

David Smith is Economics Editor of the Sunday Times and the author of a number of books including The Dragon and the Elephant [9781861978202] and The Age of Instability [9781846683107].

Users Review

From reader reviews:

Richard Benson:

Book is definitely written, printed, or created for everything. You can recognize everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Close to that you can your reading proficiency was fluently. A book Free Lunch: Easily Digestible Economics will make you to become smarter. You can feel much more confidence if you can know about anything. But some of you think that will open or reading any book make you bored. It isn't make you fun. Why they might be thought like that? Have you searching for best book or suited book with you?

Patrice Gasaway:

What do you consider book? It is just for students since they are still students or this for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Free Lunch: Easily Digestible Economics. All type of book are you able to see on many solutions.
