## The Facts of Life: and Other Dirty Jokes By Willie Nelson

If you had to give America a voice, it's been said more than once, that voice would be Willie Nelson's. For more than fifty years, he's taken the stuff of his life—the good and the bad—and made from it a body of work that has become a permanent part of our musical heritage and kept us company through the good and the bad of our own lives. So it's fitting, and cause for celebration, that he has finally set down in his own words a book that does justice to his great gifts as a storyteller. In **The Facts of Life**, Willie Nelson reflects on what has mattered to him in life and what hasn't. He also tells some great dirty jokes. The result is a book as wise and hilarious as its author.

## **Editorial Review**

From Publishers Weekly

Beginning with a request to preteens to "please only read every third word," Willie Nelson proceeds to reveal his thoughtful, hilarious, raunchy inner world in his memoir *The Facts of Life: And Other Dirty Jokes*. As the title promises, the book is full of jokes, often preceded by no more introduction than, "Rinky wanted me to tell you this joke...." And, yes, some of them are fairly dirty. Other topics Nelson ruminates on include the stock market, the relative amounts of money Tiger Woods and Michael Jordan make from endorsements, the origins of the term "Outlaw Music," the virtues of dairy products and his favorite Biblical lines (e.g., "'Physician, heal thyself'"). Non sequitur follows kooky non sequitur in this delightfully irreverent glimpse into the mind of an American classic. Fans and readers with ADD will love it. Photos not seen by PW. (on sale Jan. 8)

From [Booklist](#)

"Shotgun Willie sits around in his underwear," one of country songster Nelson's ditties begins, and the line evokes the feel of this loose little book to a T. Nelson wrote the prose in it while his bus carted him and his band and crew from coast to coast on a performance tour. Said prose consists of minuscule memoirs; cracker-barrel philosophizing; a bit of stem-winding for small farmers (Nelson is a stalwart of the Farm Aid concerts); and lots of jokes, usually dirty, as promised, and also stunningly politically incorrect, which means they are often pretty funny. But if the book consisted solely of Nelson's journaling, it would be, oh, 200 pages shorter, maybe more. Photos depicting Nelson's long passage from Texas toddler to the long-haired, pot-puffing, jogging old Nashville outlaw he is today and lots of lyrics from his 50-year stash of songs fill out the volume. For anyone who loves Nelson's act, there's nothing not to love about this hayseed-speckled gossamer of a book. *Ray Olson*

Review

"Who knew the world's best-loved country singer had such a good sense of humor?" —*Texas Monthly*

"You can't not like Willie Nelson." —*The San Diego Union-Tribune*

"Pure Willie Nelson...equal parts minstrel, scoundrel, and cowboy—and all of it's genuine." —*The Washington Times*

## **Users Review**

**From reader reviews:**

**Vincent Baker:**

Information is provisions for anyone to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even a concern.
