The Oxford Handbook of Management Consulting (Oxford Handbooks) By Matthias Kipping, Timothy Clark

Management consultants of various kinds play an important role in the world of business, and within other types of organization. *The Oxford Handbook on Management Consulting* is a comprehensive overview of eminent thinking and research on management consultancy with contributions from leading international scholars.

The first section provides an account of the historical developments in management consultancy research, and how current thinking has evolved from prior work. The second section focuses on disciplinary and theoretical perspectives on management consulting, their diversities, areas of synergy, and parallel concerns. The following sections examine consulting as a knowledge business; the consultants in management fashion; and the relationship between management consultants and their clients. The Handbook concludes with an assessment of areas of future research and debate.

By bringing together a wide range of research and thinking on management consultancy across different disciplines, sub-disciplines, and conceptual approaches, the Handbook provides a comprehensive understanding of both current thinking and future directions for research.

Editorial Review

About the Author

Matthias Kipping is Professor of Strategic Management and Chair in Business History at the Schulich School of Business, York University in Toronto, Canada. He obtained his doctorate from the University of Munich and additional degrees in France and the United States and held previous appointments in the United Kingdom and Spain. He has published widely on management consultancy and its evolution, and co-edited with Lars Engwall a volume on *Management Consulting: Emergence and Dynamics of a Knowledge Industry* (OUP, 2002)..

Timothy Clark is Professor of Organisational Behaviour at Durham Business School, Durham University. He has conducted a series of research projects into different aspects of the work of management consultants which have resulted in influential publications in the area including *Managing Consultants* (Open University Press, 1995) and *Critical Consulting: New Perspectives on the Management Advice Industry* (2002, Blackwell, with R. Fincham).

Users Review

From reader reviews:

Robert Burke:

Book is to be different for each and every grade. Book for children until adult are different content. As you may know that book is very important usually. The book The Oxford Handbook of Management Consulting (Oxford Handbooks) was making you to know about other know-how and of course you can take more information. It is quite advantages for you. The e-book The Oxford Handbook of Management Consulting (Oxford Handbooks) is not only giving you far more new information but also to become your friend when you feel bored. You can spend your spend time to read your reserve. Try to make relationship using the book The Oxford Handbook of Management Consulting (Oxford Handbooks). You never truly feel lose out for everything if you read some books.

Jennifer Fields:

The Oxford Handbook of Management Consulting (Oxford Handbooks) can be one of your nice books that are good idea. Many of us recommend that straight away because this book has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort to set every word into pleasure arrangement in writing The Oxford Handbook of Management Consulting (Oxford Handbooks) yet doesn't forget the main point, giving the reader the hottest in addition to based confirm resource data that maybe you can be one among it. This great information can certainly drawn you into fresh stage of crucial imagining.

Patricia Briggs:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Oxford Handbook of Management Consulting (Oxford Handbooks) can make you sense more interested to read.

Delaine Valencia:

What is your hobby? Have you heard that will question when you got college students? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every person has different hobby. So you know that little person just like reading or as looking at become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You will find good news or update regarding something by book. Amount types of books that can you go onto be your object. One of them is niagra The Oxford Handbook of Management Consulting (Oxford Handbooks).
