The Watcher (Bigler County Romantic Thrillers Book 1) By Jo Robertson

"Gripping. This book is a first-rate thriller." (NY Times Best-selling author Brenda Novak)

"A Terrifyingly Terrific Debut!" (Award-winning Author Loucinda McGary)

This psychological suspense follows forensic psychiatrist Kate Myers who believes the killer of two teenage girls in Bigler County, California, is the same man who savagely murdered her twin sister over fifteen years ago. Working with a single-minded tenacity, she sets out to prove it.

Deputy Sheriff Ben Slater hides his personal pain behind the job, but Kate's arrival in his county knocks his world on its axis and makes him believe in romance again. He wants to believe her wild theory, but the idea of a serial killer with the kind of pathology she proposes is too bizarre.

Together they work to find a killer whose roots began in a small town in Bigler County, but whose violence spread across the nation. A Janus-like killer, more monster than man, he fixates on Kate and wants nothing more than to kill the "purple-eyed girl again."

As this crime thriller builds to a conclusion, Kate finds herself in grave danger, while Slater uses his forensics skills to discover who the madman is and where he's taken her.
