From the Publisher

Meg isn't thrilled when she gets stuck sharing a bedroom with her older sister Molly. The two of them couldn't be more different, and it's hard for Meg to hide her resentment of Molly's beauty and easy popularity. But now that the family has moved to a small house in the country, Meg has a lot to accept.

Just as the sisters begin to adjust to their new home, Meg feels that Molly is starting up again by being a real nuisance. But Molly's constant grouchiness, changing appearance, and other complaints are not just part of a new mood. And the day Molly is rushed to the hospital, Meg has to accept that there is something terribly wrong with her sister. That's the day Meg's world changes forever. Is it too late for Meg to show what she really feels?
