Criminal Intimacy: Prison and the Uneven History of Modern American Sexuality By Regina Kunzel

Sex is usually assumed to be a closely guarded secret of prison life. But it has long been the subject of intense scrutiny by both prison administrators and reformers—as well as a source of fascination and anxiety for the American public. Historically, sex behind bars has evoked radically different responses from professionals and the public alike. In *Criminal Intimacy*, Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity.

Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity, but sex behind bars, often involving otherwise heterosexual prisoners, calls those assumptions into question. By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries—along with the impact of a range of issues, including race, class, and gender; sexual violence; prisoners' rights activism; and the HIV epidemic—Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself.

Drawing on a wide range of sources, including physicians, psychiatrists, sociologists, correctional administrators, journalists, and prisoners themselves—as well as depictions of prison life in popular culture—Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison. In the process, she deepens and complicates our understanding of sexuality in America.

Editorial Review

Review

"*Criminal Intimacy* is simply the best book on the history of sexuality that I've read in some time. Kunzel has tackled a conceptually and historically elusive topic and treated it with a sure critical sense, a broad chronological sweep, a delicate and subtle tact, and an enviable common sense. She has synthesized a mass of material to produce a coherent narrative, foregrounding issues of class, race, and gender in her analysis without sacrificing complexity or detail. It is beautifully and economically written and a pleasure to read—this is not just a good book, but a major one."—David Halperin, author of *How to Do the History of Homosexuality*

(David Halperin)

"*Criminal Intimacy* shows how the inside world of prison culture both reflects and shapes the outside world's understanding of sexuality. In prose that is lucid, economical, and often elegant, Kunzel offers a sophisticated and persuasive argument that complicates the dominant historical narrative about the emergence of modern homosexuality. The research is prodigious and the primary materials are deftly incorporated throughout this impressive book."—Estelle B. Freedman, author of *No Turning Back: The History of Feminism and the Future of Women*

(Estelle B. Freedman)

"Regina Kunzel has written a pathbreaking study of prison sexual culture from the origins of the penitentiary to the AIDS crisis. She reveals the complex history of inmates' same-sex encounters and traces the shifting explanations for prison homosexuality advanced by officials, reformers, and activists. *Criminal Intimacy* revises our understanding of modern sexual identity, showing how much homosexuality and heterosexuality have been unstable and unconsolidated categories. This is one of the most significant books on the history of American sexuality in recent years."

(Kathy Peiss, author of *Hope in a Jar: The Making of America's Beauty Culture*)

"Written with elegance and argued with verve. In this brilliant analysis, Kunzel uses sex in prison to rewrite the history of modern sexual identity. Through meticulous research, she shows us how concerns about sex refracted shifting anxieties about class, race, gender, family, and violence. A sleek, smart, and important book."

(Joanne Meyerowitz, author of *How Sex Changed: A History of Transsexuality in the United States*)

"*Criminal Intimacy* successfully conveys the continued sidelining of the complexities of sex in prisons. For even in the face of the constant fear of violence in so many American prisons, Kunzel depicts a world in which sexual love between men, or between women, once it is given the attention it deserves, can still threaten to unsettle dominant conceptions of stable sexual identities. It is this that makes Kunzel's book essential reading for anyone interested in learning more about the multifarious exchanges between sexuality and identity, in any context."

(*Times Higher Education*)

“Kunzel’s fascinating history of the changing attitudes toward same-sex sex in prisons challenges views of sexuality and gender identity as simple or immutable.”

(*Choice*)

"This much-anticipated book does not disappoint. Regina Kunzel not only offers a long-overdue, rich account of sex in prisons, but uses the institution's position . . . to obtain an important new perspective on modern sexuality. . . . This book will change the way you look at modern sexuality."

(Stephen Robertson *Journal of American History*)

"[Kunzel] succeeds magnificently in tracing the shifting multiple understandings of sex in prison, with all its complex gender, class, and racial dynamics. . . . This is an important contemporary story. If we thought for a moment that sex in prison was something that happened far away to other people, Kunzel makes us think again."

(Leila J. Rupp *Women's Review of Books*)

About the Author

Regina Kunzel is professor of history, professor of gender, women, and sexuality studies, and the Paul R. Frenzel Land Grant Chair in Liberal Arts at the University of Minnesota. She is the author of *Fallen Women, Problem Girls: Unmarried Mothers and the Professionalization of Social Work, 1890–1945*.

Users Review

From reader reviews:

Steven Huckins:

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Having book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some exploration before they write for their book. One of them is this Criminal Intimacy: Prison and the Uneven History of Modern American Sexuality.

Viola Waters:

Reading a book to get new life style in this yr; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, as well as soon. The Criminal Intimacy: Prison and the Uneven History of Modern American Sexuality provide you with a new experience in looking at a book.

Jody Tolar:

You could spend your free time you just read this book this book. This Criminal Intimacy: Prison and the Uneven History of Modern American Sexuality is simple bringing you can read it in the park, in the beach, train and soon. If you did not include much space to bring the particular printed book, you can buy the particular e-book. It is make you easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Catherine Gates:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Criminal Intimacy: Prison and the Uneven History of Modern American Sexuality can make you feel more interested to read.
