King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) By W. B. Patterson

This is a historical study of the career of King James VI and I, as king of Scotland (1567-1625) and England (1603-1625), who achieved a union of the crowns as the first king of Great Britain, and who undertook to end the recurring religious wars. His peacemaking by diplomatic means was complemented by his efforts to foster closer relations among the churches. The peace that he helped to maintain by these initiatives, though cut short by the coming of the Thirty Years' War, was immensely beneficial both to Britain and to the other countries of Europe.

Editorial Review

Review

"This is a book...which contributes substantially to the ongoing rehabilitation of the dreamer. ...this is...a book which will define its particular subject for a long time." The Virginia Quarterly Review

"...weightily documented and authoritative in style, Patterson's study is most convincing of all in its admiration of James...." Church Times

"Even though the work is scholarly, it is quite readable and would be enjoyable to anyone interested in church history. ...this account of his goals and his dedication in spite of disappointments is somehow quite contemporary. This book can be read as history or as a bridge from the past into the world of today." Charlotte Booth, The Living Church

"While Patterson's main audience is other scholars of the late Elizabethan, Jacobean, and early Caroline period, his prose is so lucid and his narrative so clear that general readers, if they ignore the footnotes, will enjoy and learn much from this book." Ronald A. Rebholz, The American Oxonian

"In the era of the 180-page monograph so favored by cost-conscious publishers today, scholars will be grateful to Patterson (and Cambridge University Press) for the comprehensiveness of this work. If at times Patterson seems determined to share every detail he has uncovered, or repeats himself unnecessarily, this is nevertheless a book which will define its particular subject for a long time." Michael F. Graham, The Virginia Quarterly Review

"This is a substantial and interesting book on James VI and I as religious reconciler and political peacemaker....it is an important addition to the efforts to revise our historical judgement of James's reign....Patterson has written an impressive volume. His sure-footed use of extensive primary sources is very impressive, as is his analysis of James's theories and theology, and the ways in which they shaped the kin's policies and actions. This book is welcome and valuable contribution to the historical rehabilitation of James VI and I as a theologian and statesman." Caroline Litzenberger, West Virginia Shakespeare and Renaissance Association

"W.B. Patterson's erudite, interesting, and valuable book contributes to two waves of current historiographical activity." Jerrold Seigel, American Historical Review

"Patterson's careful scholarship makes this book an important contribution to the study of both theology and diplomacy in seventeenth-century Europe. The book offers thorough discussions of several of the period's thorniest questions of doctrine and international relations. It also fits nicely into recent scholarship on James himself, revising perceptions of him in a more positive direction." Catherine Patterson, Anglican Theological Review

"This important, scholarly book is the latest contribution to the series, Cambridge Studies in Early Modern History. It should also be noted that the book is written in a style and with a felicity that is admirable." John Booty, Sewanee Theological Review

"...this work helpfully breaks new ground in understanding key dimensions of James's reign..." Trinity

Users Review

From reader reviews:

Thomas Melendez:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider any time those information which is within the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) as your daily resource information.

Steve Bennett:

The guide untitled King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) is the reserve that recommended to you to study. You can see the quality of the book content that will be shown to an individual. The language that author use to explained their ideas are easily to understand. The writer was did a lot of investigation when write the book, hence the information that they share to you is absolutely accurate. You also could get the e-book of King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) from the publisher to make you far more enjoy free time.

Samuel Brooks:

This King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) is great e-book for you because the content which can be full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it data accurately using great organize word or we can state no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but hard core information with beautiful delivering sentences. Having King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) in your hand like keeping the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world throughout ten or fifteen small right but this reserve already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt that will?

Tara Smith:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see

colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this King James VI and I and the Reunion of Christendom (Cambridge Studies in Early Modern British History) can make you truly feel more interested to read.
