## Kingdom Come By Gary Dobry, Gary Dobry

A championship fight is twelve rounds and it's in the championship rounds, rounds eleven and twelve, where one finds one's self and sees things for what they are. Cut-men and Guardian Angels can stop the bleeding for only so long. Boxing is the author's metaphor, "Know thy enemy." Petroleum jelly plugs up gaping wounds for only three minutes at a time. How much punishment can one endure before one realizes it's a fight to the death? Kingdom Come was written for a "worthy opponent."

Dark clouds shroud the rues and boulevards of the fourteenth arrondissement. Scattered drops of phlegm and buttermilk run greasy across old dirty windows and, in the heat, steam rises from wet pavement and evaporates into a mist.

Power punches bongo beat the heavy bag drum. Beads of sweat explode on wooden floor planks that absorb the rap-a-tap-tap of jumping rope and shuffling feet. Resin on smooth leather souls grip the tarp. The metronome ten-count stops at eight and cut men tend to wounds doctors can't treat. A good cut man is worth his weight in gold. There is no one more important than he who stops bleeding.
