Panther By Brecht Evens

"Evens is the finest ambassador for Belgian illustration since Hergé." --*The Guardian*

Brecht Evens, the award-winning author of *The Wrong Place* and *The Making Of*, returns with an unsettling graphic novel about a little girl and her imaginary feline companion. Iconoclastic in his cartooning and page layouts, subtle in his plotting, and deft in his capturing of the human experience, Evens has crafted a tangled, dark masterwork.

Christine lives in a big house with her father and her cat, Lucy. When Lucy gets sick and dies, Christine is devastated. But alone in her room, something special happens: a panther pops out of her dresser drawer and begins to tell her stories of distant Pantherland, where he is the crown prince.

A shape-shifter who tells Christine anything she wants to hear, Panther begins taking over Christine's life, alienating her from her other toys and friends. As Christine's world spirals out of control, so does the world Panther has created for her. *Panther* is a chilling voyage into the shadowy corners of the human psyche. The Drawn & Quarterly edition of *Panther* is an extended "director's cut," featuring additional material not included in the original book.

"Filled with the kind of magical thinking that powers childhood?where the unknown is exciting and terrifying in equal measures?and told with a confidence that dares you to keep up, it's unlike anything else you'll read this month and all the better for it. A triumph."?Wired

"Brecht Evens' *Panther* is undeniably one of the standout releases so far this year, blending astonishing watercolour art and an increasingly menacing tone."?The *Quietus*

"*Panther* [is] one of the most beautiful and disturbing narratives of childhood ever produced in the comics medium."?Vulture

"Evens illustrates the story with the panel-less flow of a picture book, and colorfully painted drawings erupt into full-page, cubist abstraction when events in the story get out of hand."?Mental Floss

"... in *Panther*, [Even's has] conjured up one of the great characters of contemporary comics."?Creative Review

"A chilling twist on a little girl's imaginary friend...[*Panther*] spotlights Evens' immense range of character expressions as well as his strong understanding of how to use color to intensify those numerous emotional beats."?AV Club
