The Islamic Banking and Finance Workbook: Step-by-Step Exercises to help you Master the Fundamentals of Islamic Banking and Finance By Brian Kettell

The ongoing turbulence in the global financial markets has drawn attention to an alternative system of financial intermediation: Islamic banking and finance. This is now one of the fastest growing sectors within the market place and has, so far, remained on the sidelines of this unrest. Since the inception of Islamic banking thirty years ago the number and reach of Islamic financial institutions worldwide has risen significantly. Institutions offering Islamic financial services constitute a significant and growing share of the financial system in several countries, and market participants everywhere are joining the race to study and be a part of this emerging financial system.

The Islamic Banking and Finance Workbook is a one-of-a-kind workbook on the topic, enabling readers to test their understanding of Islamic banking and finance concepts. Although suitable as a standalone learning tool, the book is designed to test the information covered in the companion book, *Introduction to Islamic Finance and Banking*, and covers the fundamentals of Sharia'a law, the Islamic contracts interpretations and definitions, Murabaha, Mudaraba, Musharaka, Istisna'a, Salam and Ijara modes of finance, Takaful and much more. Emphasis is placed on mini case studies, multiple choice questions and tests of the basic concepts. It also includes a full answer key and brief chapter summaries, as well as learning objectives.

The Islamic Banking and Finance Workbook is an essential learning tool for students and practitioners who want to test their knowledge of the rapidly growing world of Islamic banking and finance.
