The Long-Term Care Director of Nursing Field Guide, Second Edition By Barbara Acello MS RN, HCPro

The official study guide for NADONA certification

Make confident and correct decisions with the only Director of Nursing (DON) guide endorsed by the National Association of Directors of Nursing Administration in Long-Term Care (NADONA). Whether your goal is certification, recertification, or on-the-job training, ***The Long-Term Care Director of Nursing Field Guide, Second Edition***, is a must-have resource to improve quality of care, cut costs, and sharpen your leadership and management skills. New and veteran DONs will benefit from this updated edition, which includes guidance on quality indicator surveys (QIS), MDS 3.0, new audit threats, and more.

The Long-Term Care Director of Nursing Field Guide, Second Edition will help you:

- Prepare your facility for either a traditional survey or a QIS by implementing risk management best practices
- Withstand MAC, RAC, ZPIC, CERT, and MIC scrutiny by improving documentation
- Create and manage a budget that best fits the needs of your facility
- Build and motivate a competent, cohesive staff by employing smart hiring practices, an effective orientation program, and a positive work environment
- Prepare for the C-DONA certification exam with the only study guide to have earned NADONA's seal of approval

What's New

- Clear comparison between the traditional survey process and QIS process
- Guidance on creating a budget that works for your facility
- Tactics to avoid audit scrutiny
- Tips to understanding the appeals process

- Overview of the MDS 3.0 with a focus on activities of daily living, pain, and pressure ulcer assessment and care
- NADONA's endorsement as the official study guide for the C-DONA exam

Editorial Review

About the Author

Barbara Acello, MS, RN, is an independent nurse consultant and educator. She has worked in long-term care for more than 33 years. In addition to owning and operating a school for nursing assistants, she helped to write and develop mandatory state curricula for nurse aides and EMTs.

Foreword by:

Sherrie Dornberger, RNC, CDONA, FACDONA, is a gerontological nursing consultant, with more than 30 years of long-term care director of nursing experience. She assists long-term care facilities on subjects such as policy and procedures, inservicing, MDS, electronic transmissions, nursing administration, recruitment and retention, abuse and neglect, falls, and DON search and placement. She is also the current president of the National Association of Directors of Nursing Administration.

Users Review

From reader reviews:

Deborah Rost:

Book is written, printed, or descriptive for everything. You can recognize everything you want by a book. Book has a different type. To be sure that book is important factor to bring us around the world. Beside that you can your reading talent was fluently. A book The Long-Term Care Director of Nursing Field Guide, Second Edition will make you to become smarter. You can feel far more confidence if you can know about everything. But some of you think which open or reading a new book make you bored. It's not make you fun. Why they are often thought like that? Have you searching for best book or ideal book with you?

Ann Fortune:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, what best subject for that? Merely you can be answered for that issue above. Every person has different personality and hobby for each other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book The Long-Term Care Director of Nursing Field Guide, Second Edition. All type of book could you see on many sources. You can look for the internet methods or other social media.

Ellen Scherer:

In this 21st centuries, people become competitive in most way. By being competitive now, people have do something to make these individuals survives, being in the middle of the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading.

Sure, by reading a reserve your ability to survive improve then having chance to stay than other is high. For yourself who want to start reading the book, we give you this The Long-Term Care Director of Nursing Field Guide, Second Edition book as beginner and daily reading book. Why, because this book is more than just a book.

William Rockwood:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Long-Term Care Director of Nursing Field Guide, Second Edition can make you experience more interested to read.
