### **Editorial Review**

#### **Review**

“[F]lows with wisdom and clarity from beginning to end...Each chapter is full of gold nuggets and refreshing admonitions to clinicians. White’s humor, wisdom and heartfelt exhortations for professional clarity and judgment shine through.... Clinicians from every paradigm will learn, feel challenged and gain insight for *Narrative Practice: Continuing the Conversations.*” (The National Psychologist)

“[White] completely rearranged the theoretical and practice boundaries of family therapy.... The world has lost a gorgeous theoretical thinker and therapist. It’s now up to each and every one of us within narrative therapy circles and beyond to carry his ideas forward.” (Stephen Madigan, PhD, Yaletown Family Therapy)

“Hearing Michael ‘speak again’ through these pages was a real thrill! David Denborough, Cheryl, and David Epston have fulfilled a major ‘labor of love’ in drawing out some marvelous gems from Michael’s unpublished works. Through their efforts, Michael extends his contributions to narrative theory and practice.... An enlivening read!” (Karl Tomm, MD, Professor of Psychiatry, Faculty of Medicine at the University of Calgary)
