The Broken Kingdoms (The Inheritance Trilogy) By N. K. Jemisin

In the city of Shadow, beneath the World Tree, alleyways shimmer with magic and godlings live hidden among mortalkind. Oree Shoth, a blind artist, takes in a strange homeless man on an impulse. This act of kindness engulfs Oree in a nightmarish conspiracy. Someone, somehow, is murdering godlings, leaving their desecrated bodies all over the city. And Oree's guest is at the heart of it. . .

Editorial Review

From Publishers Weekly

Starred Review. New authors often falter when following up on a noteworthy debut, but Jemisin proves more than up to the challenge. A decade after the events of March 2010's *The Hundred Thousand Kingdoms*, artist Oree, blind to reality but able to see magic, sells trinkets to tourists in Sky, a city filled with supernatural entities and happenings in a world slowly emerging from doctrinaire authoritarianism. After she discovers the corpse of a murdered godling, Oree is pursued both by fanatic religious officials looking for scapegoats and by the ruthless conspirators behind the murder. Hesitant, impoverished Oree is very different from Jemisin's previous heroine, politician-princess Yeine, and she proves just as compelling as she investigates the murder and her own mysterious heritage. Returning fans will especially appreciate certain details, but this novel stands on its own and is worth reading purely for its own strengths. (Nov.) (c)

From [Bookmarks Magazine](#)

In *The Broken Kingdoms*, N. K. Jemisin expands her worldview from the Arameri Palace of *The Hundred Thousand Kingdoms* to include the richly drawn tapestry of Shadow, introducing new and interesting characters and layering plot to build anticipation for the trilogy's finale. Critical consensus deems *The Broken Kingdoms* even better than its predecessor—unusual for the middle book of a trilogy—and Jemisin, who had previously published short fiction, is poised to make a name for herself in fantasy circles (evidenced as well by Hugo and Nebula nominations). Although *The Broken Kingdoms* works as a stand-alone novel, readers familiar with the first book will recognize and appreciate Jemisin's deftly constructed world. Readers new to the series, however, may wish to start with the first book.

Review

The very best kind of sequel: as lush and evocative and true as the first, with all the same sense of mystery, giving us the world and characters we already love, and yet with a new story and a wonderfully new perspective on the whole dazzling world and pantheon the author has built Naomi Novik A fresh new series ... with a unique edge and a different voice ... flowing, almost poetic prose ... Jemisin is on the path to becoming a big name in fantasy fiction SciFiNow This is a book that readers won't be able to put down ... A magnificent novel and one of the best books this reviewer has read this year ROMANTIC TIMES Intense, epic, and involving i09.com

Users Review

From reader reviews:

Arlene Oliver:

In other case, little men and women like to read book The Broken Kingdoms (The Inheritance Trilogy). You can choose the best book if you want reading a book. Provided that we know about how is important any book The Broken Kingdoms (The Inheritance Trilogy). You can add information and of course you can around the world by way of a book. Absolutely right, mainly because from book you can understand everything! From your country till foreign or abroad you will end up known. About simple thing until wonderful thing you can know that. In this era, you can open a book as well as searching by internet device. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's learn.

Earnest Moss:

Typically the book The Broken Kingdoms (The Inheritance Trilogy) will bring one to the new experience of reading the book. The author style to clarify the idea is very unique. When you try to find new book to learn, this book very suited to you. The book The Broken Kingdoms (The Inheritance Trilogy) is much recommended to you you just read. You can also get the e-book in the official web site, so you can quicker to read the book.

Travis Davis:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, after that why you don't try factor that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love The Broken Kingdoms (The Inheritance Trilogy), you are able to enjoy both. It is fine combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

David Yoon:

Within this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple approach to have that. What you should do is just spending your time not much but quite enough to experience a look at some books. One of the books in the top list in your reading list is The Broken Kingdoms (The Inheritance Trilogy). This book which is qualified as The Hungry Slopes can get you closer in turning into precious person. By looking upward and review this reserve you can get many advantages.
