The Oxford Handbook of the Dead Sea Scrolls (Oxford Handbooks) By Timothy H. Lim, John J. Collins

In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran, at the northern end of the Dead Sea. Despite the much publicized delays in the publication and editing of the Scrolls, practically all of them had been made public by the time of the fiftieth anniversary of the first discovery. That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century, including *The Encyclopedia of the Dead Sea Scrolls* (OUP 2000). These publications produced an authoritative synthesis to which the majority of scholars in the field subscribed, granted disagreements in detail.

A decade or so later, *The Oxford Handbook of the Dead Sea Scrolls* has a different objective and character. It seeks to probe the main disputed issues in the study of the Scrolls. Lively debate continues over the archaeology and history of the site, the nature and identity of the sect, and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition. It is the Handbook's intention here to reflect on diverse opinions and viewpoints, highlight the points of disagreement, and point to promising directions for future research.

Editorial Review

Review

"Those looking for a thorough and up-to-date analysis of the complex discussion on the Scrolls will want to consult these essays as a clear and helpful guide."--*Interpretation*

"An invaluable resource for the study of the Dead Sea Scrolls...an extraordinary collection of articles that meets its objective to reflect diverse viewpoints, highlight ongoing issues, and direct future research. Students, scholars, novices, and specialists will find the *OHDSS* a welcome introduction and companion to DSS research with its succinct yet comprehensive history of research, expert yet accessible evaluations of critical issues, and nuanced yet uncomplicated methodologies."--*Journal for the Evangelical Study of the Old Testament*

About the Author

Timothy H. Lim is Professor of Hebrew Bible and Second Temple Judaism at the School of Divinity at the University of Edinburgh. John J. Collins is Holmes Professor of Old Testament Criticism and Interpretation at Yale University.

Users Review

From reader reviews:

Roger Ruelas:

What do you concerning book? It is not important along? Or just adding material when you really need something to explain what you problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do this. It said that about publication. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this kind of The Oxford Handbook of the Dead Sea Scrolls (Oxford Handbooks) to read.
