Editorial Review

Review

"The material is presented in a mostly neutral manner and does not slant too far in one particular ideological direction. Some survey history books are less biased than others, but the Unger book is the most neutral I have seen in my ten years of college teaching."

- Bill Wood, University of Arkansas at Batesville

"The text does a commendable job of covering US history in a concise, though thorough manner. It situates each chapter according to a guiding question which not only allows students to focus on central issues of the period but also encourages historical methods."

- Kimberly Earhart, Mount San Antonio College

"The idea of organizing each chapter around a central question is rather novel and quite effective. The approach Unger employs makes his textbook easier to use in the classroom both for the purpose of discussion as well as in preparation for exams"

- Frank J. Byrne, SUNY Oswego

From the Back Cover

A thematic, concise narrative survey of American history that explores the many and varied threads of American history-social, intellectual, cultural, political, diplomatic, economic, and military-from the arrival of the first native American inhabitants thousand of years ago through the historic 2008 election and the new administration of Barack Obama.

About the Author

ABOUT THE AUTHOR

Pulitzer Prize winning historian Irwin Unger has been teaching American history for over forty years on both coasts. Born and largely educated in New York, he has lived in California, Virginia, and Washington State. He is married to Debi Unger and they have five children, now all safely past their college years. Professor Unger formerly taught at California State University at Long Beach, the University of California at Davis, and New York University. He is now professor emeritus at NYU..

Professor Unger's professional interests have ranged widely within American history. He has written on Reconstruction, the Progressive Era, and on the 1960s. His first book, *The Greenback Era*, won a Pulitzer Prize in 1965. Since then he has written *The Movement: The New Left* and (with Debi Unger) *The Vulnerable Years*, *Turning Point: 1968*, *The Best of Intentions* (about the Great Society), *LBJ: A Life*, *The Guggenheims*, *A Family History*. He has just completed a book on the 1960s and he and Debi Unger are working on a biography of General George C. Marshall.

Users Review

From reader reviews:

Donald Hamann:

In this 21st millennium, people become competitive in every single way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of often the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated this for a while is reading. Sure, by reading a publication your ability to survive increases then having a chance to stand up than other is high. For yourself who want to start reading some sort of book, we give you this specific *These United States: The Questions of Our Past, Concise Edition, Volume 2 (4th Edition)* book as a basic and daily reading book. Why, because this book is more than just a book.

Matthew German:

As people who live in typically the modern era should be revise about what is going on or info even knowledge to make all of them keep up with the era that is always change and move forward.
