To Tame A Countess (Properly Spanked) (Volume 2) By Annabel Joseph

Take a rousing romp through 1790s England with this second of four Properly Spanked novels... The Earl of Warren never considered himself the heroic type—or the marrying type. Unfortunately, while attempting to save the mysterious Lady Maitland from the clutches of a degenerate fortune hunter, he ends up shackled to her himself. It was never in the plans, and worse, his bride doesn't want him. Rather than feel grateful, Josephine begs to be released from the marriage so she can accomplish her dearest goal—to be left alone. Troubled by an unconventional childhood, scarred by painful memories, Josephine acts out until Warren has no choice but to begin a disciplinary program to bring her to heel. Although his spankings are firm, painful, and plentiful, he makes little progress in taming his wild countess. But her wildness pleases him in the bedroom, where they spend hours at uninhibited play, fulfilling licentious and carnal lusts. While Josephine struggles to understand her feelings toward her authoritative husband, Warren must decide if having a tame wife is worth the anguish of damaging her already vulnerable heart. This 82K word novel contains acts of punishment and discipline, anal play, sado-masochism, and other sensual practices.
