### A Lamp Unto My Feet By Walter C. Lanyon

There is much spiritual depth in this book that you will need to see for yourself because “It is wonderful!” Many outstanding statements of this writer have come through from the Voice and with Power. His message weaves together Bible verses with outstanding examples that leave an unforgettable impression and help the reader “believe the unbelievable [and] Launch out into deeper waters.” The author helps readers realize they can set aside their human reasoning and experience new freedom to go beyond beliefs and conditioning. In many ways one epiphany follows another with an enormous inner surge of inspiration — as the apparent prison doors of mortality are opened. The final sense of this as a real possibility comes as the earth ties to beliefs and conditioning are falling away and a New Path is being revealed guiding the reader to assume the God-nature. “When man makes this assumption, when he recognizes that all life is God, he will assume the qualities of God naturally and find them out-pictured in his life. He will not then try to demonstrate the various attributes of this invisible Power but, by assumption, will be able to call them forth into manifestation at his will.” This book may awaken us from a deep sleep to discover the Kingdom of God that has been waiting for our recognition of what IS. “And as we have borne the image of the earthly, we shall also bear the image of the heavenly.”
