## **Editorial Review**

### **Review**

#### ***Washington Times*, 7/31/12**

“What makes this particular volume stand out is the expert’s encyclopedic knowledge about the subject—and his keen eye in choosing the most exceptional works of a man who wrote and spoke so many of them. Mr. Gilbert has long been Churchill’s greatest champion, but he wisely takes a secondary role to simply provide brief thoughts on each excerpt’s historical significance. In doing so, Churchill’s astonishing mastery of the English language can thereby do all the talking...a superb volume of Churchill’s writings and speeches.”

#### ***Veterans Reporter*, 9/1/12**

“[A] masterful book and a history worth buying and reading and paying attention to.”

#### ***Buffalo News*, 9/30/12**

“Churchill’s speeches...sing in a way English language statesmen and politicians have tried unsuccessfully to match ever since. This volume has them all, and in chronological order, often with brief lead-ins to supply context, so it can be read as a history of the British Empire during the first half of the 20th century, or used as an anthology of Churchillian quotations...Kudos to Sir Gilbert for the service he has performed in packing the best of Churchill into one comprehensible volume.”

#### ***Sacramento Book Review*, October 2012**

“Will give the reader great insight into the history of Britain during the time of Churchill and Churchill’s own development into the leader during their ‘finest hour.’ Highly recommended especially in this age of politics over character.”

#### ***Charleston Post & Courier*, 11/11/12**

“With 200 extracts well chosen by historian and Churchill biographer Martin Gilbert, this book isn’t just informative and entertaining. It’s inspiring.”
