Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2) By Timothy Zahn

The dying Empire's most cunning and ruthless warlord, Grand Admiral Thrawn, has taken command of the remnants of the Imperial fleet and launched a massive campaign aimed at the New Republic's destruction. Meanwhile, Han Solo and Lando Calrissian race against time to find proof of treason inside the highest Republic Council—only to discover instead a ghostly fleet of warships that could bring doom to their friends and victory to their enemies.

Yet most dangerous of all is a new Dark Jedi, risen from the ashes of a shrouded past, consumed by bitterness, and scheming to corrupt Luke Skywalker to the dark side.

Editorial Review

From Publishers Weekly

Hugo Award winner Zahn follows up *Heir to the Empire* with still more adventures of Luke Skywalker, Princess Leia, Han Solo and their merry band, adroitly juggling an abundance of plot lines to produce skillfully paced entertainment. The citizens of the capital planet of the New Republic believe their battles against the remnants of the Empire are going well. But Grand Admiral Thrawn, the most brilliant of the Emperor's minions, is preparing to crush the New Republic with nefarious schemes involving smugglers, political rivals, a well-placed mole and even a Jedi Master. Can evil genius outflank the Force? Distracted by threats to Leia's unborn twins, domestic infighting and other upheavals orchestrated by Thrawn, the heroes of the New Republic summon up all their resources to fend off galactic disaster. Fans can expect Zahn's lively tale to spill over to the next and final installment of his series. 250,000 first printing.

From Library Journal

Political infighting threatens the fragile, victorious Rebel Alliance in its ongoing struggle against the empire in this sequel to *Heirs of the Empire* (Bantam, 1991). Luke, Leia, and Han face separate challenges from a mad Jedi, an Imperial Grand Admiral, and a smuggler with a dangerous secret, and the fate of the alliance hangs on the outcome of their missions. Zahn's snappy prose and cinematic style capture the feel of the popular Star Wars films as he weaves together a lightweight but exciting tale of high adventure. Expect demand.

From Kirkus Reviews

Sequel to *Heir to the Empire* in this continuation of the Star Wars movie saga. Here, Leia Organa Solo, carrying twins, goes off (accompanied by Chewbacca and C-3PO) on a diplomatic mission to convince the Noghri to give up their indenture to the Empire and join the New Republic. Meanwhile, Luke Skywalker pays a visit to the Jedi Master C'baoth to continue his training, ingenuously not realizing that C'baoth is insane and headed toward the Dark Side. Meanwhile, Han Solo and Lando Calrissian are searching for evidence that Admiral Ackbar is not a traitor after all. Meanwhile, Grand Admiral Thrawn of the Empire is stamping out rebel enclaves and searching for the legendary Dark Force, 200 state-of-the-art battle cruisers that vanished years before. Meanwhile, smuggler Talon Karde and his second-in-command, Mara Jade, potential Jedi, may know where it is.... Despite stereotyped characters, supervillain posturing, last-minute escapes, and overall predictability, this is thundering melodrama, with a satisfyingly complicated plot. Still, it adds nothing of its own to the tradition of media-driven fiction. -- *Copyright ©1992, Kirkus Associates, LP. All rights reserved.*

Users Review

From reader reviews:

Greta Harty:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve

you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. The actual Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2) is kind of e-book which is giving the reader capricious experience.

Edward Tuttle:

Beside this Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2) in your phone, it could possibly give you a way to get more close to the new knowledge or data. The information and the knowledge you may got here is fresh from oven so don't become worry if you feel like an outdated people live in narrow town. It is good thing to have Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2) because this book offers to you personally readable information. Do you occasionally have book but you do not get what it's interesting features of. Oh come on, that will not end up to happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, including treasuring beautiful island. So do you still want to miss the idea? Find this book and also read it from at this point!

Iris Wright:

Within this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple strategy to have that. What you must do is just spending your time almost no but quite enough to get a look at some books. One of the books in the top listing in your reading list is actually Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2). This book which is qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upward and review this reserve you can get many advantages.

Annie Smith:

Many people said that they feel bored when they reading a guide. They are directly felt the item when they get a half regions of the book. You can choose typically the book Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2) to make your own personal reading is interesting. Your personal skill of reading ability is developing when you like reading. Try to choose easy book to make you enjoy to learn it and mingle the idea about book and examining especially. It is to be initial opinion for you to like to available a book and examine it. Beside that the guide Dark Force Rising (Star Wars: The Thrawn Trilogy, Vol. 2) can to be a newly purchased friend when you're sense alone and confuse with what must you're doing of these time.
