**Every Good Boy Deserves Favor and Professional Foul (Tom Stoppard)** By Tom Stoppard

It is Tom Stoppard's very special skill as the master comedian of ideas in the modern theater to create brilliant, biting humor out of serious concerns. Virtually assaulting the audience with a cascade of words and a conspicuous display of intellect, Stoppard, in "Every Good Boy Deserves Favor," contrasts the circumstances of a political prisoner and a mental patient in a Soviet insane asylum, to question the difference, if any, between free will and the freedom to conform. The situation, in which the mental patient "hears" an orchestra, is both chilling and funny as we are introduced to two men who happen to share the same name, are in incarcerated in the same cell, and are attended by the same doctor.
