Editorial Review

Review

I see why there are so many people who read "God Calling" daily for years. The devotional is like none other. The words truly sound as if they came from the lips of God Himself. I can see myself reading this for years. The only thing that I didn't like was that there were only dates on every other day. I honestly don't know if this was a formatting error on the advanced copy I received for my Kindle or if this is how the book will be published. --Alicia Hart, Through My I's, 7/1/2011
