Editorial Review

Review

"At two in the morning of April 15, 1977, twenty armed men in civilian clothes arrested Jacobo Timerman, editor and publisher of a leading Buenos Aires newspaper. Thus began thirty months of imprisonment, torture, and anti-Semitic abuse. . . . Unlike 15,000 other Argentines, 'the disappeared,' Timerman was eventually released into exile. His testimony [is] gripping in its human stories, not only of brutality but of courage and love; important because it reminds us how, in our world, the most terrible fantasies may become fact."—*New York Times, Books of the Century*

"It ranks with Hannah Arendt's *Eichmann in Jerusalem* in its examination of the totalitarian mind, the role of anti-Semitism, the silence."—Eliot Fremont-Smith, *Village Voice*

"It is impossible to read this proud and piercing account of [Timerman's] suffering and his battles without wanting to be counted as one of Timerman's friends."—Michael Walzer, *New York Review of Books*

"Timerman was a living reminder that real prophets are irritants and not messengers of reassurance. He told it like it is, whether in Argentina, Israel, Europe, or the United States."—Arthur Miller

Language Notes

Text: English, Spanish (translation)

From the Publisher

"It ranks with Hannah Arendt's *Eichmann in Jerusalem* in its examination of the totalitarian mind."
--The Village Voice

Users Review

From reader reviews:

Neil Williams:

Do you considered one of people who can't read gratifying if the sentence chained in the straightway, hold on guys this specific aren't like that. This Prisoner without a Name, Cell without a Number (The Americas) book is readable through you who hate the straight word style. You will find the info here are arrange for enjoyable studying experience without leaving possibly decrease the knowledge that want to deliver to you. The writer associated with Prisoner without a Name, Cell without a Number (The Americas) content conveys objective easily to understand by a lot of people. The printed and e-book are not different in the information but it just different available as it. So , do you still thinking Prisoner without a Name, Cell without a Number (The Americas) is not loveable to be your top collection reading book?

Geraldine Noll:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge your

information inside the book which improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with knowledge books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. The actual Prisoner without a Name, Cell without a Number (The Americas) is kind of e-book which is giving the reader unpredictable experience.

Louise Suttle:

Information is provisions for folks to get better life, information presently can get by anyone at everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is in the former life are difficult to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Prisoner without a Name, Cell without a Number (The Americas) as your daily resource information.
