The Edge of the World (Terra Incognita) By Kevin J. Anderson

Terra Incognita - the blank spaces on the map, past the edge of the known world, marked only by the words "here be monsters."

Two nations at war, fighting for dominion over the world, pin their last hopes of ultimate victory on finding a land out of legend.

Each will send its ships to brave the untamed waters, wild storms, sea serpents, and darker dangers unseen by any man. It is a perilous undertaking, but there will always be the impetuous, the brave, and the mad, willing to leave their homes to explore the unknown.

Even unto the edge of the world...

Editorial Review

From Publishers Weekly

Having wound up his seven-volume space opera, the *Saga of Seven Suns*, bestseller Anderson moves hesitantly into fantasy with this uninspired series opener. A promising attempt to end a long history of war between the followers of Aiden and Urec, two of the sons of creator-god Ondun, is scuttled when an accidental fire engulfs the city of Ishalem, which occupies the isthmus separating the warring kingdoms. The repercussions of the blaze, which include massacres, betrayals and vicious reprisals, play out over the next 13 years as naval chartsmen guide the kingdoms' sailing ships through the treacherous waters around Ishalem. The details of the cultures and politics add little insight into human nature, and a paucity of fantasy elements gives readers no reason to prefer this tale over its numerous contemporaries. (*June*)

Users Review

From reader reviews:

Gayle Stalder:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each book has different aim or even goal; it means that e-book has different type. Some people truly feel enjoy to spend their a chance to read a book. These are reading whatever they get because their hobby is reading a book. Think about the person who don't like studying a book? Sometime, person feel need book if they found difficult problem as well as exercise. Well, probably you will want this *The Edge of the World (Terra Incognita)*.

Michael Berry:

This *The Edge of the World (Terra Incognita)* book is just not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this book incredible fresh, you will get info which is getting deeper you read a lot of information you will get. That *The Edge of the World (Terra Incognita)* without we realize teach the one who looking at it become critical in imagining and analyzing. Don't always be worry *The Edge of the World (Terra Incognita)* can bring whenever you are and not make your case space or bookshelves' turn out to be full because you can have it inside your lovely laptop even telephone. This *The Edge of the World (Terra Incognita)* having good arrangement in word and layout, so you will not truly feel uninterested in reading.

Eva Pham:

The Edge of the World (Terra Incognita) can be one of your beginner books that are good idea. All of us recommend that straight away because this book has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining however delivering the information. The author giving his/her effort that will put every word into joy arrangement in writing The Edge of the World (Terra Incognita) however doesn't forget the main place, giving the reader the hottest along with based confirm resource data that maybe you can be certainly one of it. This great information can drawn you into fresh stage of crucial imagining.

Cynthia Harvell:

This The Edge of the World (Terra Incognita) is great publication for you because the content that is full of information for you who all always deal with world and have to make decision every minute. That book reveal it info accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having The Edge of the World (Terra Incognita) in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen tiny right but this guide already do that. So , it is good reading book. Heya Mr. and Mrs. active do you still doubt this?
