Editorial Review

Review

"An absolutely vital resource for anyone doing an MBA. It will help you at every stage: before, during and after your MBA." Alex Elferink, MBA student at Cass Business School, City University "I found the book invaluable in helping me to prepare for my own MBA studies and have always recommended it to prospective students of postgraduate studies in business and management." Daniel Ganly, MBA Director, Oxford Brookes University. "An invaluable source of guidance to my MBA success with articles carefully placed to complement the skillsets that are required for a rigorous programme like this - I would say that this is the most-used book during the MBA study" Lakshmi Ishwar, Director, Guardian Risk Advisors (P) Ltd, Bangalore

"An absolutely vital resource for anyone doing an MBA. It will help you at every stage: before, during and after your MBA." Alex Elferink, MBA student at Cass Business School, City University

"I found the book invaluable in helping me to prepare for my own MBA studies and have always recommended it to prospective students wishing to embark on postgraduate studies in business and management." - Daniel Ganly, MBA Director, Oxford Brookes University.

Undertaking any postgraduate management study is a big investment on many levels. *The MBA Handbook, fifth edition* explains what will be expected from you on a personal, professional and academic level and is designed to prepare and support you throughout your studies. The book is clearly structured and simply written around the following sections:

Pre-course preparation - Decide which qualification is right for you and plan your time and your funds. Check your study skills are up to scratch and recognise your own strengths and areas for improvement.

Studying - Familiarise yourself with all forms of teaching and assessment used on your course. Find out what your lecturers are looking for and learn how to boost your grades.

Beyond your Masters - Reassess your objectives and your options and learn how to make the most of your new opportunities.

This successful text has been thoroughly updated to include coverage of video conferencing, GMAT and problem-based learning. Features of this new edition include:

- Activities, examples and exercises in every chapter to help evaluate progress and put ideas into practice.
- Completely revised chapter on projects and dissertations which features an expanded section on methodologies and new material on plagiarism, internal consultancy, and electronic searches.
- Extended coverage of issues relating to EFL and ESL students.
- Dedicated chapter on 'Using Numbers' with worked examples of maths problems to help clarify and explain key mathematical techniques and applications.

- Helpfiles to assist with grammar, mathematics and spelling.
