Wittgenstein's Philosophical Investigations: An Introduction (Cambridge Introductions to Key Philosophical Texts) By David G. Stern

David Stern examines Wittgenstein's Philosophical Investigations in this new introduction to a classic philosophical text, paying particular attention to the arguments of the Investigations as well as the way in which the work is written, especially the role of dialogue. While he concentrates on helping readers interpret the primary text, he also provides guidance to the unusually wide range of existing interpretations, and why they have inspired such a diversity of readings.
