Amazon.com Review

When the Normans invade and sweep across Saxon England in 1066, lovely Aislinn of Darkenwald watches her father murdered outside her home. Wulfgar, the Iron Wolf of Normandy, arrives to rule Darkenwald, and one look at Aislinn leads him to claim her as his own. She hates the Norman conquering forces, but Wulfgar awakens a consuming passion in her that she can't deny. As she struggles with her growing love for Wulfgar, she does what she can to aid her conquered people and her bereaved mother. But a jealous lord conspires with Wulfgar's spoiled half-sister and Aislinn's very life is threatened before Wulfgar can admit that the woman he conquered has in truth, conquered his heart. This beloved historical romance deserves a special place on the shelves of millions of romance readers and shouldn't be missed.
