Art and Beauty in the Middle Ages By Umberto Eco

In this authoritative, lively book, the celebrated Italian novelist and philosopher Umberto Eco presents a learned summary of medieval aesthetic ideas.

Juxtaposing theology and science, poetry and mysticism, Eco explores the relationship that existed between the aesthetic theories and the artistic experience and practice of medieval culture.

“[A] delightful study. . . . [Eco’s] remarkably lucid and readable essay is full of contemporary relevance and informed by the energies of a man in love with his subject.”—Robert Taylor, *Boston Globe*

“The book lays out so many exciting ideas and interesting facts that readers will find it gripping.”—*Washington Post Book World*

“A lively introduction to the subject.”—Michael Camille, *The Burlington Magazine*

“If you want to become acquainted with medieval aesthetics, you will not find a more scrupulously researched, better written (or better translated), intelligent and illuminating introduction than Eco’s short volume.”—D. C. Barrett, *Art Monthly*

Editorial Review

From Library Journal

Eco's slim volume, though 20 years old, remains fresh and useful in this highly readable translation. Eco moves swiftly and surely from Boethius to Meister Eckhart, from subtle conceptual distinctions to broad historical and sociological syntheses. The book reflects the moment of its composition, the heyday of phenomenology, in its search for the intuitive dimensions in aesthetic experience. Eco's study will serve students of aesthetics in general and medieval aesthetics in particular who need a brief but accurate introduction to a vast field, while students of Eco's own thinking will profit from a glance at the scholastic background to Eco's work on semiotics. Ronald L. Martinez, French and Italian Dept., Univ. of Minnesota, Minneapolis

From reader reviews:

Steven Whitney:

What do you concentrate on book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't need do that. You must know how great along with important the book Art and Beauty in the Middle Ages. All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Mary Chapa:

The reserve with title Art and Beauty in the Middle Ages includes a lot of information that you can discover it. You can get a lot of profit after read this book. This book exist new understanding the information that exist in this guide represented the condition of the world now. That is important to you to find out how the improvement of the world. That book will bring you in new era of the globalization. You can read the e-book on the smart phone, so you can read the item anywhere you want.

Martin Kelley:

Reading a book to be new life style in this season; every people loves to read a book. When you examine a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and also soon. The Art and Beauty in the Middle Ages provide you with new experience in studying a book.

Yolanda Harris:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Art and Beauty in the Middle Ages can make you sense more interested to read.
