### Editorial Review

From Publishers Weekly

Until age 12, Catherine "Cappy" Leary lives, grows and plays with the neighboring Loughlin family in the South Carolina lowcountry town of Seaboro. After the accidental death of the Loughlins' youngest son, a tragedy for which Catherine blames herself, her father moves the family across the state. Fast forward to Catherine's 30th birthday, when she reluctantly returns to Seaboro for the first time in 18 years to scatter her father's ashes. As she reconnects, she uncovers new information about her father's ties to the area that help her release her guilt and learn to love freely. Henry's warm, smoothly paced novel explores well-traveled themes of reconciliation and rebirth with fresh energy.
