### Editorial ReviewAbout the Author

Cutler J. Cleveland is the Director of the Center for Energy and Environmental Studies at Boston University, where he also holds the position of Professor in the Department of Geography and Environment. Dr. Cleveland is Editor-in-Chief of the Encyclopedia of Energy (Elsevier Science, 2004), winner of an American Library Association award, Editor-in-Chief of the Dictionary of Energy (Elsevier Science, in press) and Editor-in-Chief of the journal Ecological Economics. Dr. Cleveland is a member of the American Statistical Association's Committee on Energy Statistics, an advisory group to the Department of Energy, and a participant in the Stanford Energy Modeling Forum. He has been a consultant to numerous private and public organizations, including the Asian Development Bank, Charles River Associates, the Technical Research Centre of Finland, the U.S. Department of Energy, and the U.S. Environmental Protection Agency. The National Science Foundation, the National Aeronautics and Space Administration and the MacArthur Foundation have supported his research. Dr. Cleveland's research focuses on the ecological-economic analysis of how energy and materials are used to meet human needs. His research employs the use of econometric models of oil supply, natural resource scarcity, and the relation between the use of energy and natural resources and economic systems. Dr. Cleveland publishes in journals such as Nature, Science, Ecological Modeling, Energy, The Energy Journal, The Annual Review of Energy, Resource and Energy Economics, the American Association of Petroleum Geologists Bulletin, the Canadian Journal of Forest Research, and Ecological Economics. He has won publication awards from the International Association of Energy Economics and the National Wildlife Federation. Users Review**From reader reviews:**

Mary Marshall:Spent a free time and energy to be fun activity to accomplish! A lot of people spent their down time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Could be reading a book could be option to fill your free of charge time/ holiday.
