**Fifty Key Thinkers on Globalization (Routledge Key Guides)** By William Coleman, Alina Sajed

*Fifty Key Thinkers on Globalization* is an outstanding guide to often-encountered thinkers whose ideas have shaped, defined and influenced this new and rapidly growing field. The authors clearly and lucidly survey the life, work and impact of fifty of the most important theorists of globalization including:

- Manuel Castells
- Joseph Stiglitz
- David Held
- Jan Aart Scholte

Each thinker's contribution to the field is evaluated and assessed, and each entry includes a helpful guide to further reading. Fully cross-referenced throughout, this remarkable reference guide is essential reading for students of politics and international relations, economics, sociology, history, anthropology and literary studies.
