## Editorial Review

From Library Journal

Russian-born woman of letters Lou Salome (1861-1937) had a brief but tempestuous relationship with Nietzsche in 1882. In 1894, while Nietzsche languished in madness, Salome published *Friedrich Nietzsche in seinen Werken*, here translated for the first time into English. Salome attempts to show how Nietzsche's philosophy can be seen as a reflection of his psychology. She construes his philosophical development as driven by a series of illnesses and recoveries, his later philosophy as mystical, and his madness as the inevitable result of his philosophizing. The book will interest scholars as the first full-scale account of Nietzsche's thought; its claims and methods, however, must be treated with caution. Richard Hogan, Southeastern Massachusetts Univ., North Dartmouth

Review

Show[s] how Nietzsche's philosophy can be seen as a reflection of his psychology. . . . The first full-scale account of Nietzsche's thought. -- *Library Journal*

This translation of Salomé's early portrait of Nietzsche . . . is long overdue. -- *Choice*

Language Notes

Text: English (translation)
