**Nursing Theory: Analysis, Application, Evaluation (isbn: 03168132223)** By Barbara J. Stevens

Nursing Theory supplies a well-balanced survey of nursing theory without confusing the reader by advocating any particular point of view. Throughout the text, Dr. Stevens provides the beginning student of nursing theory with the analytical tools for evaluating competing theories. Using careful explanations, she clears up many of the misconceptions about theory and examines the implications of various conceptual systems for nursing practice, administration, and research.
