### **Pilgrim Theology: Core Doctrines for Christian Disciples** By Michael Horton

The 2011 award-winning publication *The Christian Faith* garnered wide praise as a thorough, well-informed treatment of the philosophical foundations of Christian theology, the classical elements of systematic theology, and exegesis of relevant biblical texts. *Pilgrim Theology* distills the distinctive benefits of this approach into a more accessible introduction designed for classroom and group study.

In this book, Michael Horton guides readers through a preliminary exploration of Christian theology in “a Reformed key.” Horton reviews the biblical passages that give rise to a particular doctrine in addition to surveying past and present interpretations. Also included are sidebars showing the key distinctions readers need to grasp on a particular subject, helpful charts and tables illuminating exegetical and historical topics, and questions at the end of each chapter for individual, classroom, and small group reflection.

*Pilgrim Theology* will help undergraduate students of theology and educated laypersons gain an understanding of the Christian tradition’s biblical and historical foundations.
